

FCWP REFUND POLICY

FCWP will not give refunds for session fees, tournament entry fees, travel fees or equipment fees. For session fees: If a player is injured during a session and provides a note from a physician, the unused amount may be applied to future sessions for that athlete. New athletes will be given a one-week trial period (7 days from their first training session) to see if they would like to join. All questions regarding refunds should be directed to bookkeeper@foothillwaterpolo.com. Any unresolved issues between the parent and the bookkeeper will be reviewed and voted on by the board.
